Dear Teachers and Support Staff,

Welcome to the 2025–2026 school year, **The Year of Intention!**

I am thrilled to welcome our returning educators, support staff, and those of you who are new to North Columbus Preparatory Academy. You all bring unique talents, passions, and experiences that will contribute to a strong and vibrant learning community. Whether you have been with us for years or are just joining our team, know that your role is vital to our shared mission of nurturing students' growth, curiosity, and success.

This year, we will continue to build on our strengths, tackle new challenges together, and support each other in our professional journey. Our focus will remain on creating an inclusive, engaging, and academically rigorous environment, where every student—and every educator—feels seen, supported, and empowered.

I encourage open communication, collaboration, and innovation. Your voice matters, and I value the ideas you bring to the table. Together, let us create a positive culture where learning thrives and relationships flourish.

As we prepare for the year ahead, please do not hesitate to reach out with any questions or thoughts. I am here to support you, and I am always available for a conversation.

Thank you for your dedication and for being a part of our school family. I am confident that this year will be filled with growth, achievement, and shared joy.

With appreciation and excitement,

Ernest L. White II
Principal
